

Task 01:

Prompt:

“A vintage red bicycle leaning on a rustic wooden fence along a countryside gravel road during a golden sunset, warm lighting, photorealistic, highly detailed, 8K, cinematic composition.”

Output:

Task 02:

1. Comic Book Style Robot

Prompt:

"A sleek, battle-ready robot with angular armor, bold outlines, and vibrant primary colors, standing in a dynamic superhero pose. Comic book style, halftone shading, pop-art influences, high contrast, action background with motion lines, DC Comics inspired."

Output:

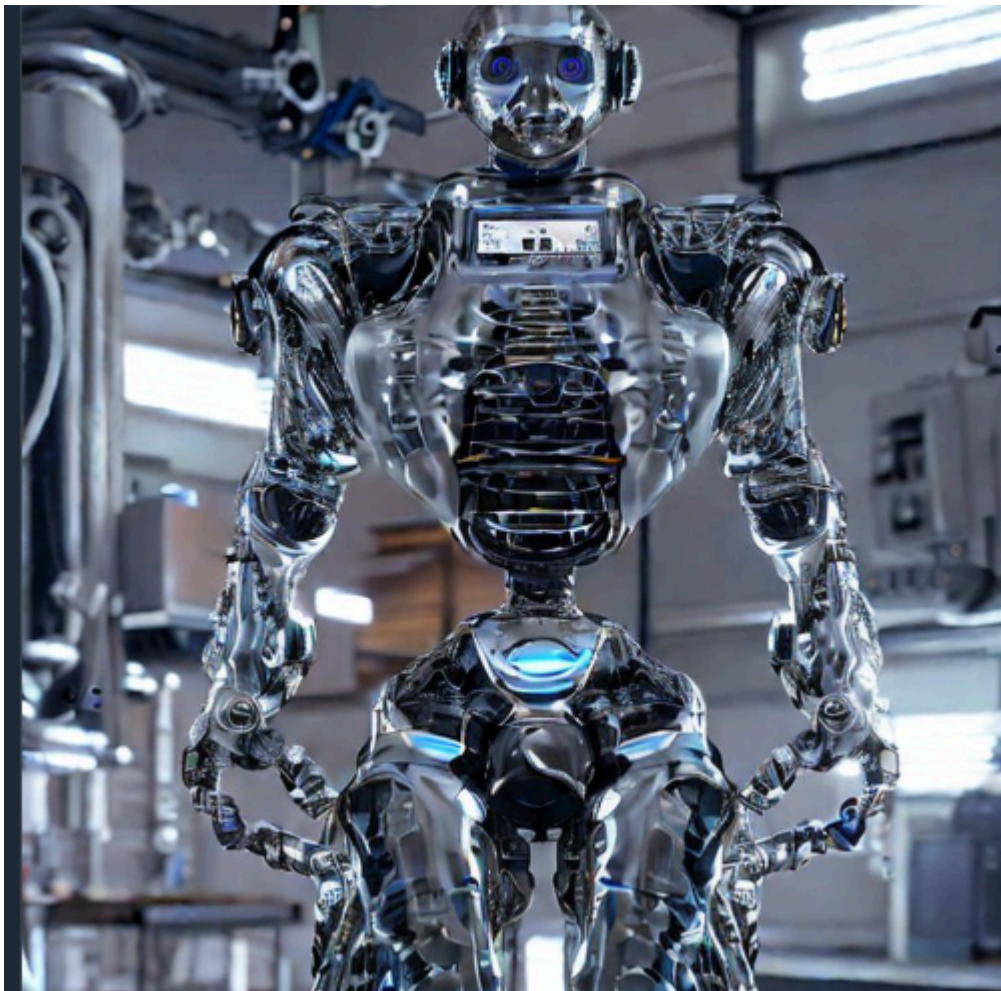

Task 02:

2. Photorealistic Robot

Prompt:

"A highly detailed, metallic humanoid robot with intricate mechanical parts, realistic textures of brushed steel and carbon fiber, standing in a sci-fi laboratory. Photorealistic, 8K resolution, cinematic lighting, reflections, hyper-detailed gears and wiring, inspired by Boston Dynamics."

Output:

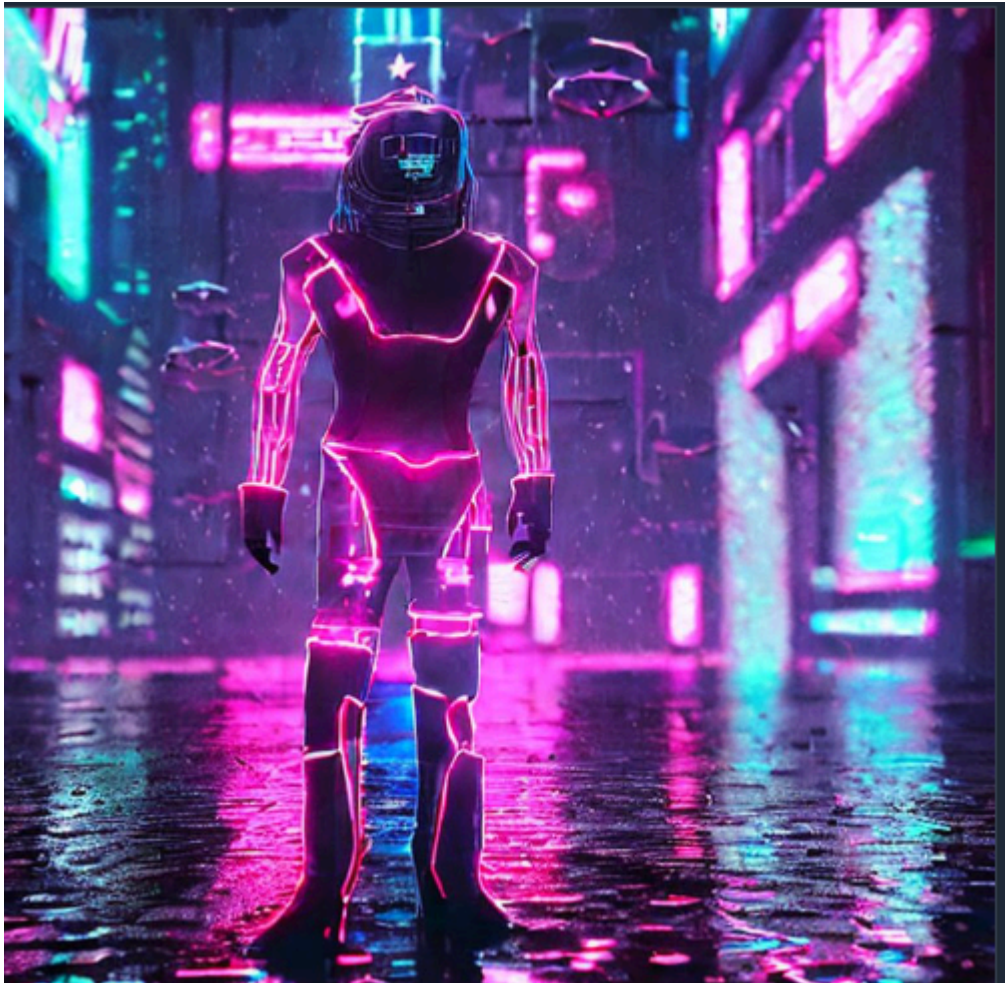

Task 02:

3. Futuristic Neon Cyberpunk Robot

Prompt:

“A glowing neon-lit android with translucent cybernetic limbs, holographic interfaces floating around it, standing in a rainy neon city at night. Cyberpunk 2077 style, vibrant pink and blue LEDs, dark synthwave atmosphere, futuristic, Blade Runner aesthetic.”

Output:

Task 03:

Prompt:

"A lone armored warrior stands atop a windswept cliff, his tattered cloak billowing in the storm, gazing at a distant gothic castle half-hidden in swirling mist. Dark storm clouds crackle with lightning, casting an eerie glow on the ancient stone ruins below. Highly detailed, fantasy oil painting style, dramatic cinematic lighting, rich colors, intricate armor design, reminiscent of 'The Witcher' or 'Lord of the Rings.' 8K resolution, art by Greg Rutkowski and Jakub Rozalski."

Output:

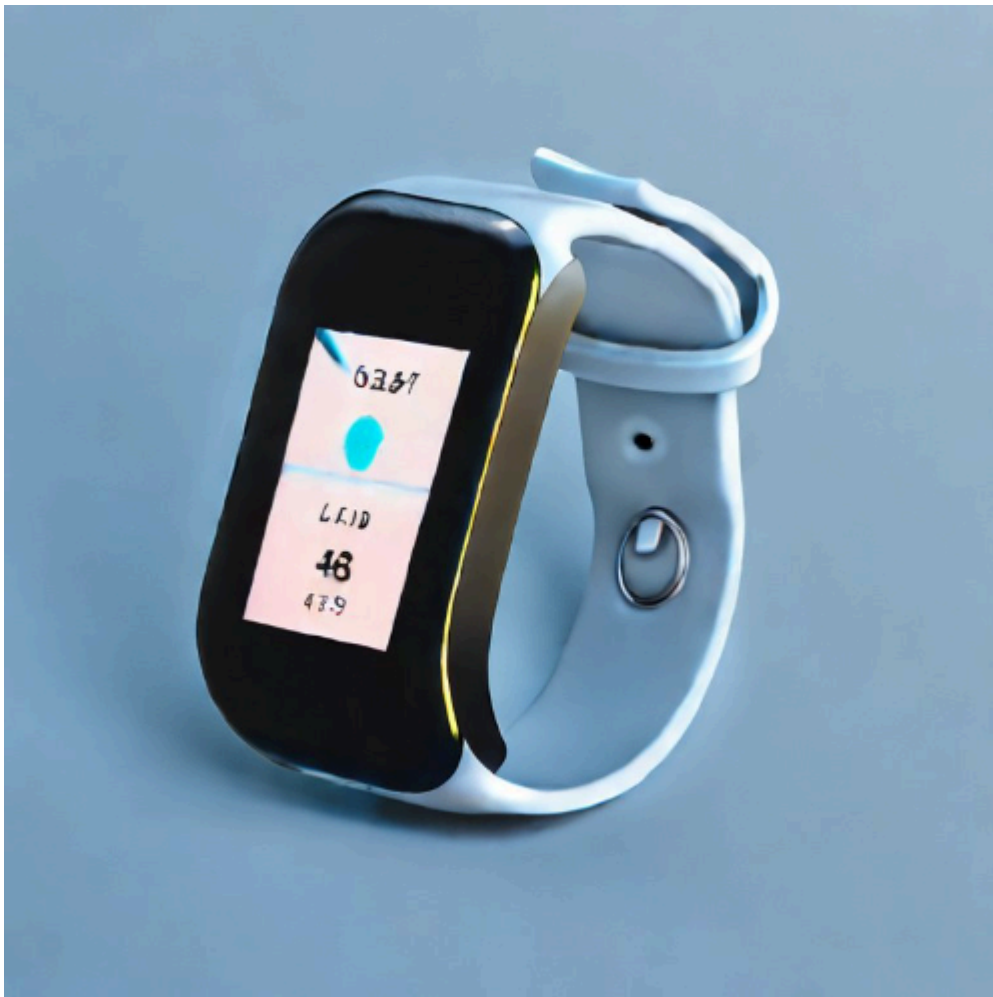

Task 04:

Prompt:

"A white modern smartwatch with a glossy ceramic body and a vibrant OLED display, floating in mid-air against a soft pastel blue gradient background. A clean, mirror-like reflection of the watch beneath it on an invisible surface. High-contrast studio lighting with dramatic rim light highlighting the edges, ultra-detailed 8K product photography, minimalist Apple-style aesthetic, shallow depth of field, professional advertisement shot."

Output:

Task 05:

Prompt:

"A cat sitting on a chair."

Output:
